

Hudson River in
downtown Albany

New York State Capitol

| NEW YORK |

Albany County

For more than 400 years, New York's capital city on the banks of the Hudson River has hosted meetings that helped shape our nation's past and continue to mold its future. The Albany County CVB offers complimentary, professional and friendly assistance to help planners with their meetings. The CVB's staff helps planners develop itineraries to maximize the Albany meeting experience. Albany's proximity to other major cities in the Northeast makes it a perfect meet-in-the-Northeast destination.

Attractions Some of Albany County's attractions include the Empire State Plaza, New York State Capitol Tours, New York State Museum, Egg Performing Arts Center, Corning Tower Observation Deck, Albany Institute of History and Art, Albany Aqua Du and Trolleys, Palace Theatre and Performing Arts Center, the Helderberg Escarpment, Thacher State Park, Colonie Center and Times Union Center Arena.
