## Tour The Town on a Trolley

Enjoy a conductor-narrated, on-off tour of New York's Capital City aboard the Albany Trolleys.

One ticket is good to ride all day. Get the overview of Albany during a 75-minute tour or enjoy the sites by exercising the option of getting off and re-boarding at any time at one of the 18 Trolley stops on the tour's route.

Albany Trolleys depart from the Albany Heritage Area Visitors Center at Quackenbush Square and travel a unique route through Albany's historic areas. Passengers also may board and purchase tickets at any of the Trolley stops.

Each trolley seats up to 26 passengers and is operated by a specially trained, licensed driver.
